### **MENORAH PARK CAMPUS RECEIVES MEDICARE'S FIVE STAR RATING**

The Menorah Park Center for Senior Living, located on Cedar Road in Beachwood, recently received Medicare's Five Star Award, the highest rating available to nursing homes. Medicare's Five Star Award is an overall rating that evaluates facility performance based on health inspections, nursing home staffing and quality measures. This quality rating system on nursing homes offers valuable information to consumers based on the best data available, and provides crucial feedback and helpful information so nursing home facilities understand where improvement may be needed. A Five Star Award helps loved ones and caregivers know where to send elderly family members who deserve the very best care.

"We are honored to receive this award," said Richard Schwalberg, Menorah Park Administrator. "In everything we do, we strive to serve each and every client and resident's individual needs to the best, and to the fullest of our abilities."
